Mercedes Zepeda López & David López
Padres de Snyder López (DOB: June 4, 2011)

To: Children's Hospital Los Angeles – Office of the CEO / Patient Relations

Subject: Formal Complaint – Misuse of Admission Forms and Lack of Informed Consent

We file this complaint to CHLA administration. The "Conditions of Admission" form (April 29, 2021) was misused to justify high-risk procedures without informed consent. We demand full release of Snyder's medical records, a hospital-level investigation, and a written response acknowledging these concerns.
